## BIGELOW CRIMINAL LIBEL SUIT.

### The Assassinator of a Woman's Reputation to Have His Preliminary Examination Tuesday.

J. K. Bigelow, principal owner of the Expositor of this place and the dictator of its policies, who was arrested by Deputy Sheriff Joe Ryan, one day last week, on a warrant issued out of Judge Campbell's Court, charging him with criminal libel, will have his preliminary hearing before that magistrate next Tuesday.

The warrant was sworn to by Mrs Emma Fetters, owner of Fetters Hot Springs at Agua Caliente, who has three civil suits pending against the accused for $20,000 damages on each count or $60,000 in all.

The cause of these suits was a series of cowardly publications attacking the character of Mrs. Fetters, whose reputation since she came to the valley four or five years ago is above reproach.

District Attorney Clarence F. Lea will be down from Santa Rosa to represent the people at the preliminary examination which promises to fill Sonoma's City Hall, where it will be held, with spectators.

At the present time Bigelow is at large, having very properly been allowed his liberty upon his own recognizance by Judge Campbell before whom he was haled last week.

### A Letter of George Washington

A friend of Mrs. L. V. Emparan, hearing of the recent Art and Relics Loan held in the Misson in Sonoma, sent by express a letter written to a friend by George Washington. It arrived too late to be placed in the Misson, but Mrs. Emparan, eager that the Sonoma people shall have the chance of seeing this valuable bit of paper, is going to exhibit it herself for a small sum, and donate the proceeds to the club house fund. The letter was presented many years ago to the late General Vallejo, and he in turn gave it to his friend as an almost priceless gift. It will afford the boys and girls of Sonoma a rare opportunity of seeing one of the comparatively few letters ever writen by the Father of his Country.

### Fred. Lowell Will Run Independent.

Fred. Lowell, one of the most popular of our young orchardists, residing on his farm on the Napa road, has been induced by his friends, so it is said, to offer his name as an independent candidate for Supervisor of this district at the election in November. It is proposed to place his name on the ballot by petition. His candidacy will make the Supervisorial contest a three-conered fight, the result of which at this time, in the language of Lord Dundreary, is "What no fellah can find out."

## CITY TAX LEVY FOR YEAR 1912-13

### The Rate is Set at $1.25 on Each $100 of Valuation—Corporations are Assessed for Bond and Interest Fund.

At a meeting of the City Board of Equalization held last Tuesday evening a new source of revenue to help defray the expense of building our new City Hall and installing a sewer system was developed under a law passed by Governor Johnson's "nearer to-the-people" Legislature two years ago wherein provision is made to levy a special tax on public service corporatians for the purpose of assisting in paying the principal and interest on the bonded indebtedness of cities, with the result that the following corporations doing business in Sonoma have been assessed as follows to help pay for public utilities acquired by this city through a bonded indebtedness:

| | |
|---|---|
| Sonoma Valley Bank | $24,175 |
| Cal. N. W. R. R. Co. | 20,304 |
| Cal. Tel. Light Co. | 2,000 |
| Pac. Gas & Elec. Co | 1,000 |

This special tax was overlooked last year.

The tax levy for the fiscal year of 1912-13 was set as follows:

| | |
|---|---|
| Library Fund | $.11 |
| Bond and Int. Fund | .40 |
| General Fund | .74 |
| Total | $1 25 |

The total assessed value of property in the city is set down at $542,072 for the general fund, and with the assessment of the corporations for the special tax to be applied to the bond and interest fund the assessment totals $589,553.

## JOS. P. BERRY APPOINTED ASSESSOR

### Chosen by the Board of Supervisors Wednesday to Fill Vacancy Caused by the Death of Frank E. Dowd

At a meeting of the Board of Supervisors held last Wednesday for the purpose of filling the vacancy caused by the death of Frank E. Dowd, who was elected to serve until January 1, 1914, Jos. P. Berry, a prominent attorney of Santa Rosa, was selected to fill the unexpired term.

The appointment is a popular one as Mr. Berry is in every way qualified to fill the position, which came to him unsought and he has hosts of friends in every section of the county.

The new County Assessor is a son-in-law of Frank Koenig, the well-known hotel man of this city.

### The Hay Market

Somers & Co. report the condition of the hay market for the week ending the 10th inst. as follows:

"Receipts of hay are beginning to decrease somewhat, the past week's arrivals amounting to 4086 tons in comparison with 4985 the week previous. In all probability from now on receipts will be lighter, not only on account of the fact the fields are becoming so well cleaned up, but also on account of the recent heavy rain throughout the state which has so badly damaged the hay yet remaining out of doors. At the present time the market continues weak but in the near future a firmer tone is generally anticipated and many believe a sharp advance, but this will depend entirely upon the local demand.

"The recent heavy rain, which was unprecedented at this time of year, did some damage to grain hay but a most serious damage to alfalfa, large quantities of which were in the fields at the time. On the other hand it will be of benefit for it will probably with favorable weather from now on enable the growers to harvest another cutting which they otherwise could not have done, and at the same time will permit early plowing and start the early green feed, which, with favorable showers a little later on, will probably be obundant this year and which is urgently required on account of the short supply of hay in the State."

## Mr. Perkins and "Social Justice."

Mr. George W. Perkins, of Morgan & Co., of the Steel Trust, of the Harvester Trust and of several other companies and trusts, is as all the world knows the "angel" of the Bull Moose party. Mr. Perkins, being a discreet man, has not attempted in any definite way to justify his attitude and his activities to the country. But Colonel Roosevelt, who knows everything, declares that Mr. Perkins is working to make the country "a better place for his children to live in." He is, declares Mr. Roosevelt, laboring to achieve "social justice."

Unfortunately this statement comes concurrently with an official report having to do with the operations and methods of the Harvester Trust, of which Mr. Perkins is not only a beneficiary but an active manager. According to this report the Harvester Trust maintains conditions in its twine mill at Auburn, New York, pitiful and even shameful. The law requires that seats shall be provided for the workers and they shall be allowed to sit in them; but all the witnesses who were examined by the state factory investigating commission testified that they were compelled to stand during the long working hours. The law limits the working hours for women to forty-eight per week or eight per day. But the rules of the mill demand and enforce a ten-hour day. The law requires the use of devices to exhaust the dust in the mill, but no such devices have been installed. The wages are just enough to keep the workers from starvation; and these workers, be it remembered, are mostly women and children, for whom Mr. Perkins with his great and good friend in the progressive movement are demanding "social justice."

Now it would seem that if Mr. Perkins's enthusiasm for "social justice" were as high as Mr. Roosevelt would have us believe he might find the opportunity to make a good start in his own twine mills. There is a place which he can make better, if not for his own, at least for other people's children. By cutting down the hours of labor, by providing decent comforts for the women folk in his employ, by providing clean air to breathe, he might bring his own operations into closer harmony with the professions of his great exemplar. That would be one step towards realization of his high minded anxiety for "social justice." And he might take some part of the money which he is throwing into campaign activities and slip it into the pay envelopes of his women employees along with that precious seven dollars which now goes to pay for sixty hours' onerous labor.

This suggestion we fear will be regarded as impertinent, if Mr. Perkins in his attidude towards his private affairs bears any resemblance to other professional reformers. It is indeed a curious fact your enthusiast for the "betterment of mankind" invariably wishes to begin his campaign somewhere else than at home. But, speaking for itself, this paper has small respect for that yearning for "social justice" which expends millions in politics and then work a multitude of helpless women beyond the legal limit and under hard and unsanitary conditions, and for this service pays a sum hardly sufficient to keep soul and body together. "Social justice," like other forms of charity, ought to begin at home.—ARGONAUT.

## The Anomolies of the Primary Election Law.

At the recent primary election in this valley F. Nichelini, the local hardware merchant of this town, who owns a ranch and votes in the Agua Caliente district, was elected a delegate to both the Republican and Democratic County Conventions. It happened this way: Mr. Nichelini is registered as a Republican and as such sought to serve his country as a delegate to the County Convention of that party, to which he was chosen almost unanimously, but one vote being recorded against him. He also looked good to his Democratic neighbors, who, much to his surprise, also elected him to represent them in the local the councils of their party. We assure our Democratic friends that Nick will take program and we congratulate them on his election under a fool law passed by Hiram Johnson and his Legislature two years ago.

## The Republican County Convention Endorses Taft.

The Republican County Convention, which met in Santa Rosa last Thursday afternoon, was composed of a representative body of Republicans of Sonoma county. It was a harmonious meeting in which Republican principles prevailed to the exclusion of the fallacies of Roosevelt's Bull Moose third-term party, and which is being repudiated by all true Republicans. It is true there were a few Bull Mooses present, but they very discreetly remained quiet in order not to be sat down upon. The convention endorsed Taft and Sherman for President and Vice-President, Hart for Congressman First District, L. E. Fulwider for Assemblyman Thirteenth District and the nominees for Supervisor.

# VINEBURG NEWS ITEMS

## "Easy Jim" Tells in an Interesting Way all About the Week's Happenings in and About His Section of the Valley.

Mr. and Mrs. Fred Batto enjoyed an auto trip to Petaluma on Wednesday last.

Fruit drying still continues active in this section although the bulk of the crop has been cured.

James Sterling, the famous horse man and trainer of Sonoma, was a visitor in this burg last week.

Mrs. King and children of Alameda were the guests of Mr. and Mrs. John Wadsworth Sunday and Monday.

Miss Myrtle Hardy was the guest of friends in San Francisco on Saturday last and returned the same day.

Harry Kizer has had some sign painting done around his store here which greatly improves its appearance.

Robert Hill of Eldridge was a visitor in Vineburg last week. Believe me, Bob, to you we are always at home.

Louis Rouquie of the Vineyard Villa represented Vineburg at the Native Sons celebration in Stockton on September 9th.

David Scheick, a well known orchardist and wine maker of Glen Ellen, transacted business at Batto's Spur one day this week.

Celestine Andrieux of the Jones ranch has been a guest at the Vineyard Villa for several days this week. He returned home on Tuesday.

Joseph F. Groskopf, engineer of the Gundlach-Bundschu Wine Co., transacted business in the bay city on Saturday last. Be silent, Joe.

Henry Pape, who for some time has been mixogolist at the Palace Hotel, Sonoma, has resigned his position and has returned to his Vineburg home.

Mr. and Mrs A. Brandt returned home from the metropolis on Sunday last where they had been the guests of friends and relatives in the bay cities for the past three weeks.

Miss Emily Batto celebrated her eight birthday on Sunday last. The little lady received many pretty presents and the best wishes of her many friends. Many happy returns of the day, baby.

Every one in Vineburg feels sad over the passing away of Frank Dowd, as the deceased gentleman was highly respected in this vicinity both as a public official and a gentleman. Sonoma county surely mourns the loss of her Native Son.

Vineburg, Sept. 12, 1912.

Easy Jim:

I wish I knew something to write about but I do not. How about that? Well, I took in the Mission Festival in Sonoma and I noticed that the sport-loving element of this section was very well represented at both the races and ball game. Both events were alright and reflected great credit on the management of the officers in charge.

Oh, Easy, did you see Harry Brandt's dog? Well, Harry had a dog and it was a fine one, too, but now it is finer still. Harry in the near future intends to open shaving parlors in the St Francis Hotel in the bay city and he has been practicing on the dog. Well, all I can say is that if it don't take the blue ribbon at the next bench show it will not be Harry's fault.

Two of our solid citizens, Enrico Forni and Theodor Athenian, visited in Petaluma on Tuesday for the purpose of buying an artesian well but they found that the well was so deep that the wagon could not hold it. Well, I declare. Well did you ever!

It was a pretty piciture I saw in Sonoma on the ninth when under the blue skies and clement weather Mr. Vineburg and the Misses El Verano were strolling hand in hand taking in the sights of the Bear Flag City.

The Five O'clock Tea Club will give a reception on the 15th, so this is all the news I have. If you want any more you will have to go to "Helen Hunt" for it.

Yours truly
Fannie Ferndale

Now, that the holidays are over and the clouds roll by we must return to the same old story, toil. Well, taking everything into consideration, Vineburg has no kick coming as she had just as much rain and just as much fun as the rest of the other places. A large number of people visited this section on Sunday and Monday and all seemed to enjoy themselves, as they usualy do.

EASY JIM.

# REPUBLICANS IN COUNTY CONVENTION

### The Regulars Predominate—Endorse President Taft's Administration and Read J. K. Bigelow Out of Party on General Principles

The Rebublican County Convention met in Santa Rosa last Thursday afternoon, about sixty delegates being present.

Jos. P Berry called the Convention to order and instructed Secretary Ira D. Pyle to call the roll to ascertain who was present and entitled to participate in the organization of the convention, this developed that Ross Campbell held J. K. Bigelow's proxy for half a vote, but he was refused a seat in the convention, whose members by a rising vote barred Bigelow from taking part in its delibertions through a proxy.

Chairman Berry then announced that nominations for permanent chairmen of the Convention was then in order and Cecil Burroughs of Sebastopol was chosen by a vote of 35 to 22 for ex-State Senator Price, as both aspirants were supporters of President Taft, no significance can attach to the selection of Mr. Burroughs, who upon taking the gavel announced himself in favor of President Taft for re-election. This was not to the liking of a few—very few—Roosevelt-Johnson bolters who had secured seats in the convention as delegates. For be it said, the convention, as a whole, was decidedly against Roosevelt and his third-term aspirations.

The platform and resolution committee presented its report, endorsing the National and State and District nominees of the Republican party, each by name, and pledging them all to an economical administration, and including the following:

Resolved, That we declare Wm. Howard Taft and James S. Sherman to be the Republican nominees of the Republican party in the State of California just the same as in other states and that we condemn any attempt on the part of any element of the State's citizenship to deprive President Taft and Vice President Sherman of their legal rights to have delegates favorable to them printed in the column set apart by law for the delegates of the Republican party for Presidential electors.

Resolved, That we point with pride to the fact that vastly more legislation of a truly progressive nature has been enacted during the administration of President Taft in the three years than was enacted during the two previous administrations combined; that President Taft, though hampered and opposed by enemies both within and without his party, as few presidents have ever been, has gone straight to his goal regardless of his personal political fortunes and with an eye single to the benefit and glory of the nation he loved and served so well, and for the people whose true and loyal servant he is and will continue to be until such time as he chooses to lay down the sceptre of official power.

Resolved, That we direct the Republidan candidates for the Assembly in this county to cast their votes in the State Convention for delegates favoroble to the nominees of the Republican party and warn them that their failure so to do will be sufficient to deprive them of the support of the Republican voters at the polls in November.

On motion of Morris Levy of Glen Ellen, J. K. Bigelow was eliminated as a member of the County Central Committee and O C. Benjamin of El Verano was selected for the position. Mr. Levy also made a motion, which was carried that the selections for the Executive Committee be made from the regularly elected delegates of the convention.

Hon. L. E. Fulwider, Republican nominee for Assemblyman of the Thirteenth district, addressed the convention and pledged himself to vote for Taft and Sherman as the Republican standard bearers at the State Convention.

Those from Sonoma Valley who took part in the deliberations of the the convention and will represent their constituents on the county committee were as follows:

Sonoma—Frank Koenig and Dr. H. W. Gottenberg.
San Luis—Howard Knight.
El Verano—O. C. Benjamin.
Agua Caliente—F. Nichelini.
Glen Ellen—Morris Levy
Vineburg—Chas. Potter.

These committeemen are supporters of the Taft administration with the exception of Potter, who is said to be a follower of the Bull Moose in what will prove to be a fruitless effort to secure a third term.

### Hot Weather.

Following the excessive and phenomenal showers of last week the weather has turned out extremely warm. This is a good thing for grapes, which were not in the least injured by the soaking they received last week, as they were not far enough advanced. The damage to hops and late fruit it now develops, while considerable, is not nearly so disastrous as was anticipated.

## Are You Blue and Worried?

Nervous? Some of the time really ill? Catch cold easily and frequently suffer from biliousness or headache? The reason is that your system does not rid itself of the poisons in the blood; just as impossible as it is for the grate of a stove to rid itself of clinkers. The waste does to us exactly what the clinkers do to the stove; make the fires burn low until enough clinkers have accumulated and then prevent its burning at all. Your liver is sluggish—you are dull and heavy—sleep does not rest, nor is food appetizing. In this condition illness develops. Doctor Pierce's Golden Medical Discovery eradicates the poisons from the body—a glyceric alterative extract made from bloodroot, golden seal and mandrake root, stone and queen's root, without the use of alcohol. No matter how strong the constitution the stomach is apt to be "out of kilter" at times; in consequence the blood is disordered, for the stomach is the laboratory for the constant manufacture of blood.

MRS. BLAKE.

MRS. BENJ. BLAKE, of Port Dover, Ont., Box 36, writes: "I have been a great sufferer for years from throat trouble, catarrh, indigestion, female troubles, bloating, constipation and nervousness—at times I would be in bed, then able to be up again. Was under many different doctors' care, and would get better for a little while, then I would go down with chronic inflammation all through me. For nineteen years I had this poison in my blood. After trying nearly everything I got worse. I read in The People's Common Sense Medical Adviser of Dr. Pierce's Golden Medical Discovery and Dr. Sage's Catarrh Remedy. I have taken the 'Golden Medical Discovery' and 'Pleasant Pellets,' and have used five bottles of Dr. Sage's Catarrh Remedy. I am now able to do my work and walk with pleasure. I feel like a new woman. I enjoy everything around me and thank God for letting me live long enough to find something that made me well again."

Dr. Pierce's Pleasant Pellets regulate liver and bowels.

## FRANK E. DOWD DIES SUDDENLY.

### Taken Ill on Streets of Santa Rosa Last Sunday and Expires Shortly After.

Frank E. Dowd, for fourteen years County Assessor of Sonoma County, and one of the best known and most popular men in Northern California, was taken suddenly ill on the streets of Santa Rosa last Sunday and died shortly after at his home, where he had been taken for medical treatment.

The news of Mr. Dowd's death was a great shock to his many friends in this valley, as he was a most robust man and the picture of good health.

The deceased was born in Petaluma fifty-two years ago, and upon reaching manhood's estate engaged in farming on his ranch at Lakeville and his genial and amiable ways won him friends on all sides. So great was his popularity in Vallejo township that he was induced to leave his farm and run for County Assessor on the Democratic ticket against one of the most popular men the Republicans could possibly have nominated for the office. He won out by a handsome majority, and what is more he made good and proved to be one of the best County Assessors in the State. That his ability as a public official was appreciated by the taxpayers of Sonoma County, no better evidence is wanting than the fact that he was serving his third term in office and would have been honored with another term two years hence had he lived.

The funeral services of deceased were held Wednesday at his home in Santa Rosa, the interment being private.

# THE TRUTH ABOUT THOSE DELEGATES

## Roosevelt Contests Instigated to Deceive the Public.

## ALL BUT 74 WERE ABANDONED

**An Examination of the Facts Shows That the Tribunals Which Decided These Contests In Favor of Mr. Taft Were Right In Every Instance—The Remaining 164 Contests Were Frivolous, and Their Prompt Abandonment Reflects Upon the Genuineness and Validity of the Remainder.**

Washington, July 29.—Here are the facts in relation to the contested seats in the Republican national convention It is a summary of a detailed statement going carefully into all of the cases, a statement so thorough that it takes up 150 pages of printed matter This statement is signed by Mr. Victor Rosewater, chairman of the former Republican national committee; by Mr. J H. Devine of Colorado, chairman of the committee on credentials of the Republican national convention, and by Mr Charles D. Hilles, chairman of the present Republican national committee

The total number of delegates summoned to the convention under its call was 1,078, with 540 necessary to a choice. Mr. Taft had 561 votes on the first and only ballot and was declared the nominee. There were instituted against 238 of the delegates regularly elected for Taft contests on behalf of Roosevelt. These contests were avowedly instigated not for the purpose of really securing seats in the convention, not for the purpose of adducing evidence which would lead any respectable court to entertain the contests, but for the purpose of deceiving the public into the belief that Mr. Roosevelt had more votes than he really had, as the conventions and primaries were in progress for the selection of delegates This is not only a necessary inference from the character of the contests, but it was boldly avowed by the chief editor of the newspapers owned by Mr Munsey, who has been Mr. Roosevelt's chief financial and newspaper supporter. The 238 contests were reduced by abandonment to seventy-four.

The very fact of these 164 frivolous contests itself reflects upon the genuineness and validity of the remainder The seventy-four delegates include six at large from Arizona, four at large from Kentucky, four at large from Indiana, six at large from Michigan eight at large from Texas and eight at large from Washington, and also two district delegates each from the Ninth Alabama, the Fifth Arkansas, the Thirteenth Indiana, the Seventh Eighth and Eleventh Kentucky, the Third Oklahoma, the Second Tennessee and [illegible] from each of nine districts, the First, Second, Fourth, Fifth, Seventh Eighth, Ninth, Tenth and Fourteenth of Texas.

### CONTESTED DELEGATES AT LARGE.

**Arizona.**

In the Arizona convention there were ninety-three votes All the delegates—six in number—were to be selected at large. The counties were entitled to select their delegates through their county committee or by primary. In one county, Maricopa, a majority of the committee decided to select its delegates and a minority to have a primary In other counties there were some contests, and the sttae committee, following the usage of the national committee, gave a hearing to all contestants in order to make up the temporary roll There was a clear majority of the Taft delegates among the uncontested delegates The committee made up the temporary roll and then there was a bolt, sixty-four remaining in the hall and twenty-five withdrawing therefrom. The case of the Taft majority was so clear that it is difficult to understand why a contest was made

**Indiana.**

In Indiana the four Taft delegates at large were elected in a state convention to which Marion county, in which Indianapolis is situate, was entitled to 128 votes A primary was held in Indianapolis, at which Taft polled 6,000 and Roosevelt 1,400 votes. This gave Taft 106 delegates in the state convention from Marion county, and if they were properly seated the control of the convention by a large majority was conceded to Taft. Attempt was made to impeach the returns from Marion county by charges of fraud and repeating These charges were of a general character, without specification except as to one ward out of fifteen wards and then the impeaching witness admitted he could not claim fraud enough to change the result in that ward The national committee, upon which there were fifteen anti-Taft men, rejected the Roosevelt contestants and gave the Taft delegates their seats by a unanimous vote. Senator Borah and Mr Frank B Kellogg, both Roosevelt men made speeches in explaining the votes in which they said that the case turned wholly on the Marion county primary and as there was no evidence to impeach the result certified, the title of the Taft delegates was clear This is the convention whose proceedings called forth such loud charges of theft and fraud from Mr Roosevelt.

**Kentucky.**

In Kentucky a contest was filed against only three of the four delegate
